A. Raptor, Screening and Access to Schools:

1. Single Point of Entry- Remote Door unLocking is not always working and staff must manually open the door
2. Raptor has been down often over the last 1-2 months- what is the process for when Raptor is down?
3. What types of checks are conducted when a person is entered into Raptor with or without an ID?
4. Visitor Vs Volunteer and who is allowed to move about the school without an escort?
5. Requirement for all volunteers even at the district level to be screened and approved as a volunteer
6. What training or written guidance is provided to staff who are responsible for using Raptor?

B. Campus Monitor Staffing:

1. Vacancies for all schools
2. What is the ratio for campus monitor to students or campus size? Can you please send official guidance?
3. Hiring Freeze impact on Security Staffing; How many campus monitors have been laid off- North Area Advisory was told 104 have been laid off?
4. How are campus security or Police determined for events?

C. General Campus Safety:

1. Which doors are required to be locked? Classrooms, buildings/hallways? Exteriors Doors?
2. Perimeter campus fences- what is the status of schools without perimeter fencing?
3. Confirmation that all schools, and all buildings- including temporary buildings have functional PA systems
4. Visual Alerts for Deaf and hard of hearing schools/classrooms have not been working all year- What is the plan to remediate?

D. Cameras:

1. Camera Functionality- auditing of those not working
2. How are blind spots addressed?
3. Guidance on location of camera monitors and access to people who are not staff
4. How long is footage kept?

E. Vape Detection:

1. Pros and cons
2. Student privacy
3. Ensuring correct student is identified
4. Companies being considered for Implementation

F. Emergency Response

1. Alyssa Alert Panic Button
2. Are there new lockdown alerts?

G. Other Concerns:

1. Random Searches- are they happening, what are the results?
2. Open Carry Guidance on School Campuses

VIII. Academic Updates- Melissa Holtz, Director of Elementary Learning

A. Testing Volume Concerns:

1. Significant discussion on excessive testing, especially for K–2.
2. Additional concern about the amount of computer-based testing for elementary-aged students, particularly K-2.
3. Teachers feel pressured by district staff to administer tests to gauge understanding. During instructional reviews teachers are made to feel like they should be administering all of these tests. They feel micromanaged in their classrooms. Clarify teacher autonomy under BTU contract.
4. What communication has been provided to teachers about optional use of chapter, unit, other tests to gauge understanding parents express frustration about the amount of testing and computer-based testing.
5. Provide a list of required vs optional tests. What whether it is coming from the state, district or school/teachers and compare Broward testing load with neighboring districts.
6. Address testing culture and stress placed on children during the testing windows- Inability to have recess, specials, etc.

B. Performance Matters Platform:

1. Widely described as clunky and difficult for students and teachers.
2. What is being done to resolve platform issues?
3. What communication or training was provided prior to its selection and implementation?
4. How can parents access specific testing items to be able to review with their children and if there is a way, when will families receive training/communication on its use? DAC can partner with the district on this.
5. Are teachers fully able to access data to compare scores and identify needs?

C. Computer Literacy & Typing:

1. Follow-up requested on long-promised typing instruction.
2. Concern that students must test on computers without proper preparation and this can affect testing outcomes
3. General concerns from parents and teachers over the amount of screen time children are exposed to in primary grades.

D. Secondary Academic Topics

1. AICE expansion: Committee requested cost details for middle vs. high school.
2. Concerns raised that principals are unaware of available funding for expansion. Which schools have expanded?

E. Other Topics:

1. ***Phoenix Declaration and its impact on our district and curriculum***
2. Requirements for Physical Education and Recess for students and the District Physical Education Plan

F. Technology & Supplemental Resource Concerns

1. Members observed a repeated pattern of the district adopting tools without an adequate implementation plan (Here Comes the Bus, Maximo, Focus).
2. Some Resources have been removed without prior warning; What is no longer available
3. Request: District must provide proper rollout, training, and communication.
